Dear Harry,

Thanks very much for your letter of 18 April 1985. Glad to see that the sign is alive and well. Still would like to see it sometime.

Thought about what I could enclose with this letter to add a little zest, and decided to send the enclosed brochure. It does not represent the major thrust of our business, but is a brain-child of the owner. After watching the massacre at the Munich Olympics in 1972 he decided there had to be a better way to handle such a situation. The FBI had one of the systems at the Los Angeles Olympics last year.

Thanks again for the letter.

Best Regards,

John F. Blake
Vice-President, Administration

P.S. Hope you and I look as good as Alan Warfield when we are his age. He told me he is 70.
